

# VISION 2030 UPDATE

GHCA Membership Meeting

June 14, 2025

**Green Hill  
Civic Association**

# Here Today to:

- Provide updates on the work accomplished by each of the four Vision 2030 teams over the past several months
- Share updates on cost and timing of Vision 2030 Work
- Solicit member feedback on projects we have discussed
- Determine how you can support projects you're passionate about

**Green Hill  
Civic Association**

# Vision 2030 Team Leaders / Areas of Focus:

*Maureen Morse* - Beach

*Dan Tanona* - Pond

*Maria DiMauro* - Recreation

*Tony Flynn* – Health & Safety

**Green Hill  
Civic Association**

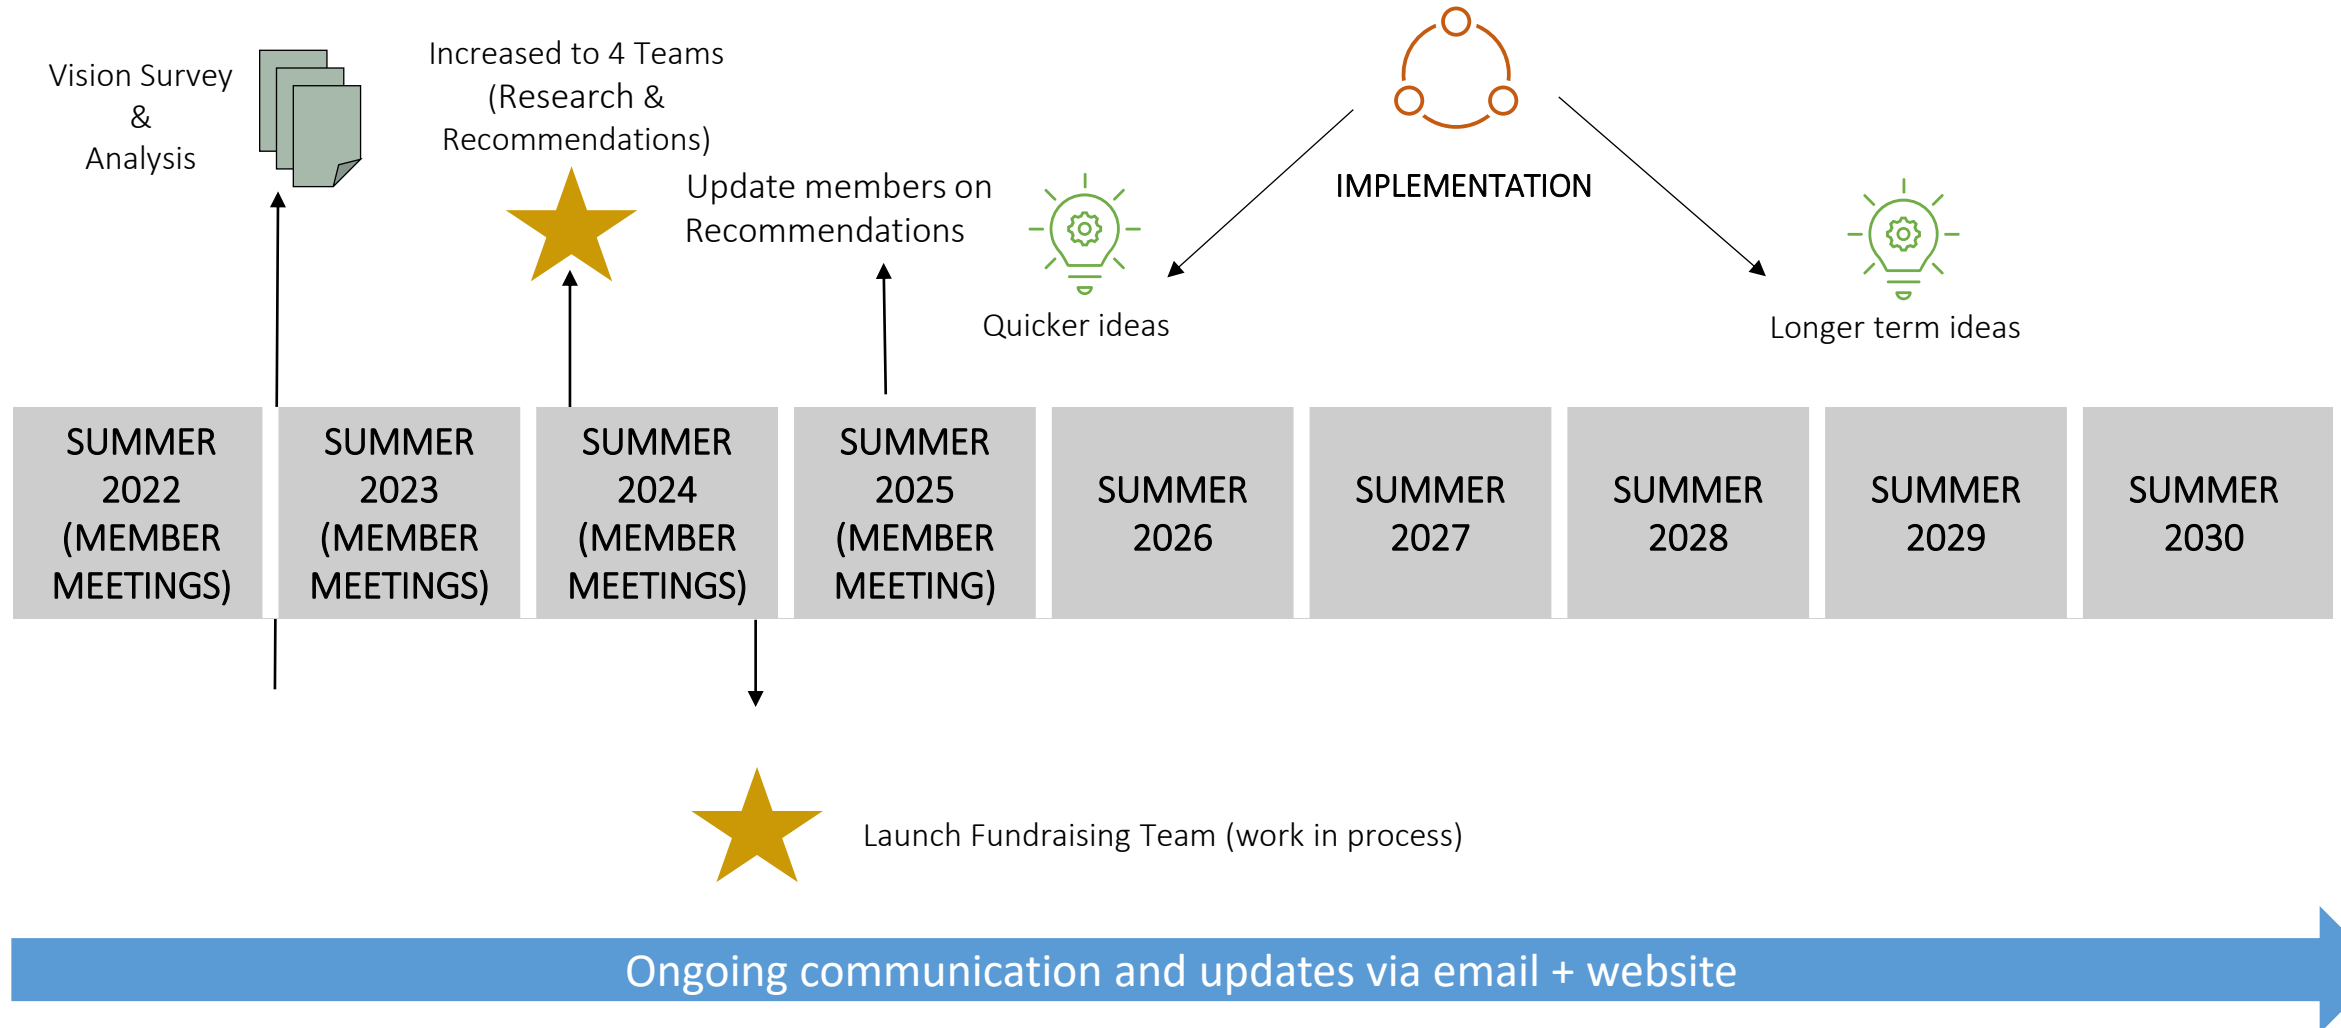

# Utilizing 2022 Survey Results, *we...*

- Defined scope of work for all areas
- Conducted research required to identify challenges and opportunities
- Identified low-cost, easier things to do and began implementation
- Assessed higher-cost, more complex things for the long term
- Developed cost and timing for implementation

**Green Hill  
Civic Association**

# Vision 2030 Work - Timeline

# *Transition to Team Leaders*

- *Accomplishments 2024-25... and Next Steps*
  - Moe - Beach
  - Don Geissler (filling in for Dan) – Pond
  - Maria - Recreation
  - Tony - Health & Safety

# Next Steps

- Develop greater understanding (deploy additional research?) of GH Beach costal erosion issue. Make recommendations for potential solutions. Proceed with community educations / beach walk.
- Continue to support and leverage FGHP project work to restore the Health of Green Hill Pond.
- Advance dock and other projects at GHCA recreation area. Enlist passionate members' support for resourcing.
- Enhance Health and Safety on our roads, in our homes, on our beaches and in our recreation areas. Prioritizing speeding issue, leveraging town and community resources.

## Note:

Anyone who is passionate about any of the above projects and interested in making a contribution to fund this work, please reach out to a GHCA Board or Vision team member.
